

The diagram shows a large white square centered on a gray background. The square is defined by a thin black border. At each of the four corners of the gray background, there is a small pink circle. The text 'Empfohlener optischer Rand' is located in the top-left corner of the white square. Below it, a paragraph of text explains the purpose of this area. At the bottom center of the white square, the text '300 mm' is written horizontally. On the right side of the white square, the text '300 mm' is written vertically, indicating the height of the square.
